EDUCATION

Charotar University of Science and Technology	Sep 2022 – June 2025
Bachelor of Technology (B. Tech) in Information Technology (IT) (CGPA – 7.43)	Anand, Gujarat
Lukhdhirji Engineering College	June 2019 – May 2022
Diploma of Information Technology (IT) (CGPA – 8.96)	Morbi, Gujarat

EXPERIENCE

Agreem Technologies	May 2023 – June 2023
Web Developer Intern	Remote

- Completed a successful web development internship, gaining proficiency in React.js.
- Design and implementation of attractive e-commerce website specifically Apple products that sell Apple products like iPhone, Air Pods.
- Collaborated with team members using version control systems such as Git to organize modifications and assign tasks.

MAJOR PROJECTS

1. Jenkins CICD with GitHub Integration in AWS.

- Implemented **Jenkins CI/CD** pipeline integrated with GitHub on **AWS**.
- Implemented automated testing and deployment **pipelines** to accelerate software delivery.

2. Video Conferencing Tool | [Link](#)

- Developed **Meet Up**, a real-time video conferencing application with an intuitive user interface using **React Elastic UI**
- Implemented efficient state management and real-time updates using **Redux Toolkit**, ensuring seamless user experience.
- Integrated **Firebase** for secure user authentication and facilitated seamless real-time authentication.
- Leveraged the **ZEGOCLOUD API** for high-quality video and audio streaming, enhancing the overall virtual meeting experience.

SKILLS

- Tech Stack: Data Structures, Algorithms, React JS
- Languages: Java, JavaScript, HTML, CSS
- Tools: Git, GitHub, AWS, VS Code, Firebase
- Fundamentals: OOPs (Object Oriented Programming) concepts, Linux Commands, Database Management System, Network Programming
- Soft Skills: Problem-Solving, Teamwork/Collaboration, Creativity, Adaptability, Communication

Achievements

- Participated in CodePie 3.0
- Participated in Code Mania
